# Saint Martin de Porres School

*2012 U.S. Department of Education Blue Ribbon School*

We are delighted that you have decided to join us today because we are proud of our students and our school. Our aim is to provide an effective and value-centered system of education committed to academic excellence. Religion is the heart of our curriculum, and all other subjects flow from it.

As you go about our school today, we hope that you will find a climate that emanates from a demonstration of the love of the Lord, church, family, and school community. Please enjoy your visit, and kindly sign our guest book before you leave.
